**Mastering Minimalist Illustration: Uncover Your Artistic Voice and Signature Style:** Are you on a journey to discover your unique style as an illustrator? Perhaps a minimalist illustration is the perfect avenue for your exploration. By distilling your work into its essential elements, you can unravel the motives behind your creations and pave the way for a distinctive signature style.

In this course, I'll guide you in mastering the art of minimalist illustration, aiding you in unveiling your artistic voice and style. We'll establish crucial elements to craft your minimalist style, including signature colors, brushes, and more.

### Here's a glimpse into what you'll learn in this class:

- Understand the essence of minimalist illustration
- Discover and define your artistic voice
- Identify the ideal subjects for your illustrations
- Draw inspiration from other creators and implement it effectively
- Develop your unique minimalist illustration style
- Define a personalized set of brushes
- Create and refine a minimalist color palette
- Ensure a constant flow of ideas for your artwork

The demand for minimalist art is soaring across various creative industries. By the end of this class, you'll have honed your distinctive approach to minimalist illustration and developed a workflow that can be applied to any commission or project that comes your way.

This class is designed for individuals with a strong passion for illustration. While you don't need to be a pro, some basic drawing knowledge will be beneficial. We'll primarily work in Procreate throughout the course, but the content is still valuable if you use different software or prefer traditional pen and paper.
