Ripped Paper Edge Effect Overlays – PhotoSpirit 279506283:

The "Ripped Paper Edge Effect Overlays" is a collection designed to add a vintage and distressed look to images, making them perfect for digital art, scrapbooking, and craft projects.

The pack includes 30 high-resolution JPG overlays (6000x4000 pixels) and an action file (.atn) for easy selection and application in Screen mode, compatible with Photoshop and Photoshop Elements.

Users can also remove unwanted elements using a Layer Mask or the Spot Healing Brush after rasterizing.
