Vintage Lightroom Presets VSCO A4 CM - 6325198:

Old Lightroom VSCOCam Presets Download on Desktop as well as Mobile

Our instant Lightroom Presets downloads are professional tools for editing photos that use in all editions of Lightroom including the free mobile version and Lightroom Desktop and Photoshop ACR. Photoshop ACR.

The presets are simple to install and use for novices and include videos and step-by-step instructions. The collection contains mobile and desktop files, which means you can edit your files at home using your PC or while on the move with your tablet or phone. These presets are useful anywhere you travel!

GET THE EXCLUSIVE EBOOK "EASY EDITING WITH LIGHTROOM MOBILE" (56 pages)

Inspired by VSCO A4 The Lightroom Presets pack uses natural tones, with slight fading to look just like an analog film with glowing whites and warm shadows. The rich browns of this A4 make the perfect choice for anyone looking to recreate the look of the VSCOCam application and create an elegant and stunning cinematic look.

Great for portraits, landscapes as well as lifestyle photography, and everything else!
