Domestika – Caricature Portrait with Graphite: Learn to portray the essence of people using an illustration

There are numerous ways to pay homage to an individual--through music, poem, or sculptures, but to pay tribute to Victor Velez, the best method is to illustrate a caricature. Victor, also known as Chubasco, is highly passionate about drawing and has over three years of experience as a cartoonist for editorials and collaborator with publications such as El Universal, El Economista, and other significant Mexican publications.

In this online class, Learn how to draw professional-looking caricatures with graphite.

What's this course's main project?

Create a cartoon-like drawing of a person who you like in pencil. It could be a musician or actor, a member of the family, or any other person you wish to.

Who would this online course be aimed at?

Cartoonists, illustrators, and anyone who wishes to master how to draw caricatures.
