Picture Book Illustration: Animal Characters: Join the illustrator Eric Johnson and master the art of creating animal characters from beginning to end! Learn to envision and create an appealing, realistic character by drawing thumbnail sketches. You can also include human-like characteristics using Eric's seasoned tips. Create an enthralling visual narrative by exploring a range of scenes, props, and poses, improving the balance, perspective, and scale for a natural-looking composition. Explore a variety of colors to express emotions and mood, and look into two different mixed-media techniques to add vibrant colors and depth, from the famous ink-and-watercolor technique from Randolph Caldecott to a layered approach that utilizes colored pencils. You'll discover ways to make your artwork come to life through charm and fun. Eric will also teach you valuable methods for troubleshooting, as well as innovative design ideas that will enthrall both adults and children.
