ProdbyJack The Yokai Creative Kit (WAV): Introducing the ultimate creative tool for sample makers – The Yokai Bundle! This comprehensive package includes everything you need to craft industry-level and placement-ready melody loops.

Inside The Yokai Bundle, you'll discover six incredible sound kits:

"Kineki" Midi Kit (85 loops): Unlock the power of 85 MIDI loops for endless melody possibilities.

"Yamu" Melody Layers Kit (300 Layers): Dive deep with 300 melody layers for rich and textured compositions.

"Shojo" Starter Kit (50 Layers): Start your creative journey with 50 essential melody layers.

"Kuchisa" Sample Pack (100 Samples): Explore a diverse collection of 100 samples to spark inspiration.

"Rokubi" One Shot Kit (450 Sounds): Access a vast array of 450 one-shot sounds for dynamic productions.

"Kodama" Phrase Kit (90 Phrases): Elevate your compositions with 90 ready-to-use phrases.

Bonus Inclusions:

- 50 Percussion Loops
- 50 Textures & FX

In total, you'll have over 1200 royalty-free sounds at your fingertips, ensuring you have the tools to secure your next placement! Unleash your creativity and take your sample-making game to new heights with The Yokai Bundle.
