You can easily edit your desktop and mobile devices from one Preset Pack. This will give you a consistent look, no matter what type of editing/photographing. Deep Moods Presets create a rich, rich, and warm look to your images. These presets are great for indoor and outdoor photos.

Included:

- 15 Professional Lightroom Presets (Zip File).
- 3 Lightroom Mobile Presets (DNG files).
- 30 Photoshop Actions for Professionals (CC Versions).
- 15 Photoshop ACR Presets for Professionals (CS6 and CC Versions).
- Compatible with Desktop & Mobile
- Compatible with JPG, RAW, and PNG Images
- Lightroom & Photoshop Installation Instructions
- File with Mobile Instructions and Link to Video (TXT file)
- Get Mobile Presets directly from your Mobile Device

NOTES

My presets have all been tested with a wide variety of images. They are extremely versatile. These tools are used by me as a professional photographer and editor with more than 15 years of experience.

Presets can be used in most cases with one click. However, presets will work differently on each image due to white balance/exposure. You will need to adjust the white balance and exposure. Contact me if you need assistance in adjusting them to your images.
