Animated VHS Effect Action (Atn)

2025-02-10 16:48:02   label 我要反馈   下载页面

Animated VHS Effect Action (Atn): Animation Video Effect Action, A professional Photoshop action template. Create a stunning VHS effect for your photo. Your photo will have a vintage style of the late '80s or '90s. It is possible to create Instagram video stories using this action. You don't require any additional skills to perform this action.

- Open Actions Panel (F9 / Window> > Actions);
- The load action (you can drag them and drop them into PS)
- Open your picture (best size 1920x1080 px)
- Open given PSD file
- Upload your image to the smart object layer
- Watch the action, wait a couple of seconds, then stop, and wait until the action comes to an end
- Save for later as GIF or as MP4 videos
