Domestika – Concept Art: Introduction to Set Design: Unlock the secrets of creating mesmerizing worlds for audiovisual productions with Illustrator, graphic designer, and concept artist Jean Fraise. From self-taught beginnings to his current role as art director at HuevoCartoon since 2015, Jean brings his wealth of experience to guide you through crafting illustrated worlds and scenes that captivate audiences.

In this course, you'll learn the techniques and tools essential for professional growth as a concept artist, enabling you to create visually stunning universes brimming with captivating stories. Whether you're a beginner or a seasoned artist, Jean's insights will empower you to elevate your skills and create immersive environments for audiovisual projects.

What will you learn in this online course?

- Access 24 lessons and 23 downloadable resources with valuable insights and practical tips.
- Dive deep into the fundamentals of world-building and scene development for audiovisual animations.
- Unleash your creativity as you imagine, illustrate, and bring captivating scenes that tell compelling stories to life.

Embark on a journey of artistic discovery and unleash your potential to create awe-inspiring worlds for audiovisual productions under Jean Fraise's expert guidance.
