Liquid Distortion Glitch Text Effect - 92016008: Ensure your showcase leaves a lasting impact with this awe-inspiring text effect, where visuals speak louder than words. Thanks to the Smart Object Layers included, achieving the desired result is effortless. Add your text inside the designated layer (by double-clicking its thumbnail), delete the default placeholder, type your text, and save! Whether it's branding logotypes or presentation elements, this effect is versatile enough to handle anything your project entails.

- High-quality PSD file
- Dimensions: 4500x3000 px, 300 dpi
- Black & white versions included
- Help file provided for easy navigation
