80. Eryn Hawes Presets CreativeMarket - 4502614: Improve your photos and increase your workflow with Professional Lightroom presets. Professional photographers from all over the globe have found an audience in the Advina Store.

DO THESE PRESETS WORK in Photoshop ACR (ADOBE Camera Raw)? Yes, the presets are compatible with Photoshop and Lightroom along with Photoshop/ACR. Adobe Camera Raw (Adobe Camera Raw) is included with Photoshop. In contrast to actions, you'll be able to access them in the Camera Raw panel when opening RAW files in Photoshop. Be aware that they are **not Photoshop actions**.

- 08 Presets
- DNG files
- XMP files
- Works with RAW and JPEG images. Works on JPEG and RAW.
- It is easy to adjust the size of your image to match your style.
- Installation Instructions are provided.
- It is compatible with Adobe Photoshop, Adobe Lightroom
