**How to Draw in ANY ART STYLE:** In specific ways, it's simpler than you imagine. In other ways, it's challenging. This program is intended for beginners in drawing. There are many things to learn if you have more experience as an artist.

This video contains my interpretation of Art Style.

This second clip is an introduction to the fundamentals of drawing. It's the longest of all.

Following this, we select a particular property to analyze. What makes it different or unique?

The final two videos are the application of one style to another property. Here is where the most enjoyment is.
