Acoustica - Mixcraft v10.6 Recording Studio Build 635 (Win)

2025-04-26 18:15:32　　label 我要反馈　　下载页面

Acoustica Mixcraft Recording Studio:

Acoustica enhances its virtual studio with a focus on usability, stability, and innovation for musicians.

This update introduces new Project Templates tailored for various tasks, improved MIDI controller support, and a Quick Access panel for efficient management of instruments and effects. An Auto-Save feature helps safeguard projects, while the integrated Mixcraft Store now offers over 100 items, including free options, along with a new Loyalty Credit program for users.

Mixcraft 10 Recording Studio serves as an affordable entry-level solution with unlimited audio and MIDI tracks, a more intuitive interface, and a comprehensive selection of virtual instruments and effects. For those seeking advanced capabilities, Mixcraft 10 Pro Studio delivers additional features and tools for professional music production.
