ARTA - Follow Me Presets for Lightroom: These presets offer an ideal solution for maintaining a consistent Instagram feed with a captivating style featuring modern colors. They are especially well-suited for travel, photography, fashion, or lifestyle bloggers, providing an opportunity to elevate the quality of your photos. The presets have been meticulously crafted, serving as a solid foundation to enhance your images.

Tested with photos captured on various devices, including different phones and professional DSLR cameras, these presets ensure a superior experience for all users. They are designed to be user-friendly and include a text-based tutorial to assist with the installation process.

Compatibility extends to the Lightroom app on both iOS and Android platforms, as well as the Desktop Lightroom version. Notably, all ARTA presets are functional in both versions, and they are compatible with the free Lightroom app, eliminating the need for a subscription.

It's essential to keep in mind that each photo and camera are unique, and while these presets provide a great starting point, minor adjustments may be required to achieve the perfect look.

For Desktop use, ensure you have Lightroom CC installed. The Desktop Presets come in.XMP files, while the Mobile Presets are provided in.DNG format.

Package Includes:

- 4 Lightroom Presets for Desktop Version
- 4 Lightroom Presets for Mobile Version
- Text-based tutorial for easy preset installation
