#### 42 PRESETS + 5 BRUSHES - CHINELLE ROJAS

#### THE MELANATED FILM PRESETS

This collection Was Made from a necessity to PROPERLY edit the skin Tones of melanated skin tones. I've found that additional presets often fall Short and lack attention for the majority of our clientele. You may have noticed that they frequently"white-wash" darker tones and also create your Clients seem lighter than they're in actual life. This collection was created to reveal That it is possible to edit darker skin tones, as well as interracial families, Beautifully and always.

Adobe Lightroom & Adobe Camera Raw presets functioning on Lightroom Classic CC, 5, 6 & 4 and Photoshop CC & CS6.

Dependent on the Adobe Standard profile and Designed to operate together with both JPG & RAW files.

The Melanated Film Presets out of Chinelle Rojas includes a total of 42 presets using 3 "Primer", 33 colors, 3 black & white, and 3 alteration presets. Additionally, it contains 5 Additional modification brushes.
