What is Edit Your Own Envelope Photos?

"Edit Your Own Envelope Photos" could mean different things depending on the context. Here are a couple of interpretations:

Editing Photos on Envelopes: If you're talking about physically editing or customizing envelopes by adding photos to them, it could involve a creative process of printing or attaching photos onto envelopes. People might do this for special occasions like weddings, birthdays, or other events where they want to add a personal touch to their correspondence.

Editing Envelope Photos Digitally: Another interpretation could be related to the digital editing of photos that are somehow associated with envelopes. This might involve using photo editing software to manipulate or enhance images that will be used on envelopes, for example, on invitations or greeting cards.
