BRING YOUR FEELINGS TO LIFE.

Create the mood for your video logs. You can truly take advantage of every single detail of the spectrum of color by using Automotive LUTS. You can adjust your footage to recreate the perfect summer day or a dark, chilly autumn evening with only one click.

Set your tone.

These LUTS will help to guide you in the direction you would like to take your video. It's crucial to establish the tone from the beginning so that viewers can see your video with ease.

compatible with

We've also included a video tutorial that is a short 30 seconds installation. Once you have installed it in the editing program that you prefer, you will be able to immediately access these LUTS for the rest of your life.

Set the bar.

Get noticed by showcasing Majestic new styles to give you a competitive advantage in this thriving market.

Be creative with the new LUTTS

The possibilities are limitless. We are passionate about giving creators the tools for success. Pick your path.
