Create this amazing effect using your photos in only a few clicks. This effect is designed to spare you an enormous amount of time per image.

Sketch Color Photoshop Action

My Working Software Version: CS5 English Version. The only requirement is that you install the software in English. As of now, the other languages aren't available.

If you're using another language in your Photoshop you can find an easy method to change to English.

Certain Recommendations

To achieve the most effective outcome from Photoshop Action, to get the best possible result from Photoshop Action, you should make use of the highest resolution images. The recommended resolution is 3000px x 300 dpi 3500px, it is the most effective..

The Layers Organization

The greatest benefit of Photoshop Action is that it will help keep layers well-organized. So you can continue to develop your image swiftly and customize it further. Every Photoshop Action has its own layer organization.

The File is Included

- Brushes (ABR)
- Pattern (PAT)
- Action (ATN)
- Help file (Notepad)
