Draw with me in Procreate: 70s Text Effects: Prepare to take yourself right back into the vibrant and fun time of the 70s and 80s, when album covers, posters, and ads were filled with vibrant color and striking design.

In this course, I'll have you join me in sharing my tips for creating three distinct 70s-inspired text effects with Procreate. If you're looking to spice up the look of your creative design or create original card designs or have fun writing, I've provided you with the tools.

Learn how to inject your drawings with enthusiasm and personality by mastering the use of color and the intriguing designs that were the hallmark of the art style of the 70s. I'll walk you through how to draw and give you everything you need to draw. Through all this, you'll create beautiful, timeless art that won't go out of fashion.

This class is offered as a "lunchbox size," ideal for adding a dash of fun and creativity to your day. Pause and grab your tablet and let's party! Don't forget to participate in my #SPRINGSPIRATION drawing challenge I'm hosting on Instagram. Instagram and where you can demonstrate your new talents.

Are you ready to unleash your creative side and take a trip back in the seventies? Join me in class, and let's begin!
