

Lara Jade – Essential Color Photoshop Actions – Set I

2025-02-10 16:44:02 label 我要反馈 下载页面

Lara Jade – Essential Color Photoshop Actions: Essential Shade Set I is motivated by the heat & Originality of 2 of my favorite cities - New York & Paris. Think classic Elegance with a contemporary twist.

This really is a Really versatile activity set that helps broaden Your head to color possibilities! With 15 unique fashion-inspired & wealthy Colour tones (including a number of my favorite cross-process luminous & recipes Curves) you will be spoiled for choice! This is a Vital set for any Photographer looking to accelerate their workflow & include a vibrant editorial Look for their vision. It doesn't matter if you take style, beauty, Lifestyle, portraiture, or weddings - this collection will help elevate your own portfolio & include an extra amount of consistency for your workflow.

I have also included my favorite grain recipes for color photography - that have Been designed to provide your pictures that finishing touch.

- 15 Essential Color Photoshop Actions
- 3 Essential Grain Photoshop Actions
- Setup & Usage Guide
- PDF Action Guide (such as actions descriptions & my favored Mixtures!)

All my Photoshop Action sets have been analyzed on a broad variety of pictures that will assist you to get the most from the collections. Essential Color Place I works well with many light situations, but exhibit their outcomes Best on images that are more neutral-toned or marginally underexposed (for Case in point - location shots which are taken within color or backlit gold hour kind Vision that wants a pop). Additionally, they work superbly in the studio using gentle Light, which makes a well-rounded action collection.
