Fireworks for After Effects VH-49741318: Illuminate your celebratory projects with "Fireworks," a stunning template featuring eight animated, vibrant, and festive full-screen fireworks. Perfect for New Year's Eve, Christmas celebrations, or any joyous occasion, these cinematic-quality explosions include placeholders for photos or videos, allowing you to personalize your greetings. The enchanting brilliance of these bright sparkles and bursts will infuse a spectacular touch into your holiday messages and event invitations or serve as dazzling backdrops in winter-themed presentations, ensuring every moment is merry and memorably festive.

Add a touch of magic and brilliance to your celebrations with the "Fireworks" template, making your festive moments even more vibrant and unforgettable.

- Eight full-screen fireworks animations for a visually stunning impact.
- Smart color controllers for effortless customization.
- Media placeholders for personalizing with photos or videos.
- Video help is included for easy guidance.
- Compatible with After Effects 2019 and above, ensuring accessibility to a broad user base.
