Renraku Vibe House (WAV):

It captures the atmosphere of late-night after-hours chillout rooms, clubs, and sun-soaked swimming parties, VIBE House is a great choice with an amazing selection of chilled-out and relaxed tunes, as well as infectious synth hooks, and amazingly constructed drum beats.

If you're searching for song starters with soaring leads and beats that shake your body, VIBE HOUSE comes through with a lot of inspiration. With a range of 112 and 135 BPM the loops of VIBE House are designed to suit an array of sounds.

If you're searching for that one final component to join a track or if you're looking for something to build your track on, VIBE HOUSE has you covered.
