- 3 Lightroom Mobile Preset (DNG documents )
- Compatible with Desktop & Mobile
- Compatible with JPG and RAW Pictures
- Detailed Installation Directions For Lightroom
- Document With Mobile Instructions & Link into Video (TXT File)
- Download Mobile Presets Directly From Mobile Device

### NOTES:

1. All Of my presets are tested on many different pictures and they're very versatile. As a photographer & editor with over 15 years of Expertise, I utilize these tools to accelerate the workflow and then provide my pictures a Cohesive search for the Blog & Instagram.
2. In Most instances, our presets are one-click but presets work differently in every Picture (because of white balance/exposure) that you need to correct the white balance & vulnerability. If you want any help fixing contact and I'm happy to adjust them to fit your images.

**Compatible Together:** Adobe Lightroom
