Watercolor Overlay Toolkit (Videohive 49351400) - AE Project

2025-02-10 17:11:29　　label 我要反馈　　下载页面

Watercolor Overlay Toolkit - AE Project VH-49351400: Transform your videos into captivating works of art with our Watercolor Art Effect, a versatile and stunning medium that seamlessly complements any theme! Elevate your content, whether it's for films, trailers, TV shows, music videos, commercials, or product launches. Crafted for Adobe After Effects and Premiere Pro, this package boasts a modular effect structure, ensuring flexibility and easy customization. No plugins are required, making it hassle-free for After Effects CC 2021 and above, with Premiere Pro compatibility via Essential Graphics Mogrt files. Enjoy user-friendly controls with the Universalized Controller, allowing you to adjust text colors, frame rates, watercolor details, and more. Benefit from free updates, detailed video tutorials, and expert support. Give your videos a timeless, artistic flair that stands out in any resolution!
