What isCoddeine Stash Kit?

a specific digital audio production or sound kit related to music production, often used by music producers and artists to create beats and tracks.

These kits typically include various WAV audio samples and MIDI files that can be used in digital audio workstations (DAWs) to create music. The term "Coddeine Stash Kit" suggests a theme or style for the included sounds, which may be used in the creation of hip-hop or trap music, given the reference to "codeine," which is associated with some sub-genres of rap and hip-hop.
