Alpha Centori Basic Components Essential Cymbals 1: Struggling to find the perfect open hat for your beat? After an extensive search, we encountered difficulty in locating a gritty and dusty open hat sound. Determined to fill the gap, we took matters into our own hands and crafted a unique collection by meticulously shaping various hats from vintage drum machines using filters, EQs, saturations, and compression. The result? An outstanding library featuring the finest open hats we've ever produced, along with additional cymbal sounds.

This kit encompasses everything from hi-hats to tambourines, shakers to rides, crashes, and open hats. Say goodbye to endless browsing through small kits. The package includes 80 Open Hats, 50 Hi Hats, 50 Tambourines, 25 Crash Cymbals, 25 Rides, and 25 Shakers, providing a total of 255 high-quality sounds. Save time and dive into serious music production with this versatile sound pack. All files are in the widely compatible WAV format, boasting a 44.1 kHz sample rate and 16-bit resolution. Get ready to make some serious noise!
