Midone is an extraordinarily responsive and feature-rich Admin Template powered by the utility-first CSS framework TailwindCSS 3+. If you're a designer searching for an admin dashboard that comes with pre-designed Tailwind components, is user-friendly, and is highly customizable, Midone is among the top options available. Even if you're acquainted with Tailwind's framework, its UI components are easily modified without having to leave your HTML code.

Midone is a distinctively modern, flexible, and modern Admin dashboard template that can be used to create Backend Applications, Information systems CRM, or begin a new project and then learn how to use TailwindCSS. We suggest you have a glimpse of the live preview and explore all themes and features!
