Touch Loops Sentient Techno (WAV):

HARD-HITTING PROGRESSIVE TECHNO

Relax and take a deep breath before stepping into our newest monster techno pack. It's an absolute blast! The Progressive Techno Loops brimming with the kind of sounds you might imagine hearing at 4 am in a Berlin club. It's loud, distortion-y, and free of any ties; exactly what you'll need for your next deep techno night!

EXPERIMENTAL & UNIQUE

If you're thinking of a typical techno track here, be prepared. This drum pack is packed with intense, knee-smacking beats, and contemporary, experimental drum lines. The synths are a distinctive combination of classic hardware sounds and sequences, along with some wild sound design to brighten your techno mix. This bass folder is unhinged, with a range of bright electro to a dark house and techno patterns and sounds. It's awash and unforgiving! A few choices of FX connect everything and a distinct shots folder offers the freedom to create this pack unique to you.

IMMERSED IN EXPERIMENTATION

If you're ready to begin bending the techno format and throwing out the rule book download now and start! Like always, it's absolutely royalty-free!

Included files

- Loops: 138
