Blind Audio Somnus Psy Trance (WAV): Blind Audio would like to present Somnus which is Psy Trance Take a step beyond and journey into the realm of the hypnotic psytrance. A collection of one-shots and loops that will take your productions above and beyond by offering a wide range of ultra-modern audio delights.

Enjoy a journey with us to discover a diverse collection of thumping drums powerful basslines, and twitchy synths that have been mingled to create the perfect mix of audio instruments that are euphoric. Somnus offers a wide selection of audio amps, suitable for dancing and at-home hypnotic experiences.

All loops are recorded at the 138 BPM with the Em key. You can mix and combine loops, or combine them with your own music to create something new. Blind Audio brings you only the most powerful sounds available and draws inspiration from a wide selection of sources, including classic digital and analog synths, real-world instruments as well and high-quality field recordings.
