Razor Stencil Halftone Effect Action - 92163831: Introducing the Razor Stencil Halftone Action, a dynamic tool that generates graffiti spray paint and stencil-halftone effects, infusing your designs with street culture vibes. This powerful processing tool creates rough, worn textures and overlays, offering infinite options to scratch and distort your images realistically and digitally.

What's Included:

- 1 .atn action file
- 3 QuickStart GIF files
- 1 PDF Help Guide for comprehensive instructions
- Action creates a template and allows you to replace the artwork via Smart Object.
- It is based on native procedural Photoshop filters, ensuring clean asset libraries.
- Processes the edges of the image, adding a subtle, raw extra touch.
- Non-destructive action allows for experimentation with tweaking all applied Smart Filters later.
- Transform any image into a graffiti masterpiece, brutal retro collage, or dirty stencil cut easily.
- 7 presets for versatile effects.
- Batch render capability for efficient workflow.
- Custom controls for personalized adjustments.
- Non-destructive action for flexibility.
- Fast and easy to use for quick results.
