Loopmasters Soul Funk Deep House: Embark on a transformative musical journey with Loopmasters as we proudly present the Soul Funk Deep House collection curated by the renowned Andy Lee! With an unwavering dedication to the art of house music, Andy consistently produces groundbreaking compositions that push the boundaries of house production. This pack stands as a testament to his creative vision, offering an array of innovative, top-notch samples that seamlessly infuse soulful funk into your deep house tracks.

Inside the Soul Funk Deep House package, you'll discover an extensive array of synth basslines and bass guitars, forming the solid foundation for your track. Complementing these elements, a diverse selection of drum kits is included to perfectly accompany those basslines. For those craving added rhythmic intricacy, Andy has thoughtfully incorporated various percussion options, featuring lively claps and vibrant congas.

Soul Funk Deep House goes above and beyond with an impressive amount of melodic content. Bursting with a rich variety of instruments such as electric guitars, electric pianos, organs, clavinetts, keyboards, mallets, saxophones, strings, lead synthesizers, arpeggiated synthesizers, pads, and synthesized stabs—each contributing to a symphony of sonic possibilities. To add the final touch, both female and male vocal samples are provided for instant use. All loops seamlessly synchronize at a steady tempo of 125 BPM, a hallmark of house music and its diverse subgenres, including the captivating realm of deep house.
