Easy Procreate Landscapes: How To Paint Digital Watercolor Scenes: Unlock the secrets to painting breathtaking watercolor landscapes effortlessly in this beginner-friendly Procreate class, complete with a set of free realistic watercolor brushes! Throughout the course, you'll master essential techniques for capturing four commonly painted watercolor landscapes using Procreate:

- A wet-on-wet beach scene
- A monochromatic mountain scene
- A snowy lake scene
- A tropical sunset

Discover tips for choosing and blending colors, adding depth to your paintings, and mimicking watercolors' beautiful textures and qualities without the mess of traditional paints. Additionally, learn how to transform a reference photo into a stunning landscape with just a few steps.
For your class project, compile your paintings to create a stunning portfolio to share in the Procreate gallery. This class caters to beginners eager to explore digital art and seasoned artists looking to expand their skill set.
To get started, all you need is:

- An iPad or iPad Pro with the Procreate app installed
- A compatible Apple Pencil
- Class Freebies
