Backpack Mockup Template - Animated Mockup PR VH-34761252: Develop your own original content that promotes the brand and product design by using the Backpack animating mockup templates created specifically for Adobe Premiere Pro.

It's easy to make use of. Drag and drop the content in its PSD file, and make use of its Essential Graphics panel of Adobe Premiere Pro to customize the particulars.

- Resolution Full HD
- Five different scenes
- Upload your content into its PSD texture files.
- Customize the information using your Essential Graphics panel.
- PDF tutorial included
- Alpha Channel

Requirements

- Adobe Premiere Pro CC
- Adobe After Effects CC (No need to know the best way to make use of it)
- Adobe Photoshop or any other PSD editor
- Ft-UVPass is a plug-in that works with After Effects. You are able to set your own price starting at \$0.00 (I would suggest paying the suggested amount and assisting the creator)
- I would suggest a machine with 32GB RAM or more
