What You Will Create in This Bundle:

- Floating Bear: You'll be able to create this unbelievable illustration that shows a bear floating in an old tree trunk, which looks precisely like an artwork.
- Blending Images: Learn how to mix images into different contexts. My secret technique for making my work authentic.
- Portrait Wall Art: In this class, you will create this unique image of a lion taking the plunge. The focus will be on details, lighting, and shades.
- Surreal Wildlife: You'll learn to use multiple images to create surreal art. It's something you'd see in Disney films!
- Photo Manipulations: In this class, we'll focus on realism. In this module, you'll be creating this cute and realistic Raccoon.
- Mastering Light Effects: We'll dive a little deeper into lighting. We'll be making light effects in-house, and they'll give an enchanting feel to your art.
- Creative Scenery: In this course, you'll discover how to completely alter the scene of a photograph with realistic reflections from the water.
- Compositing: In this class, we'll design eye-catching flamingo art. Learn how to create bright and vibrant shades.
- Floral Art: A one-hour class where you'll create a flower-themed work. Learn how to create a precise digital painting.
- Digital Art: Your first digital art piece using Photoshop! This is among the first art pieces you'll make to familiarize yourself with various tools.
- Contemporary Art: We'll create contemporary art by using various colorful objects and mixing them to create one.
- Ultimate Lighting Technique: In this course, we'll dive into the art of lighting. Learn how to create and modify realistic lighting.
- Photo Editing: You'll learn the best ways to make editing appear lovely and romantic by lying stunning lighting effects.
- Wolf & Butterfly: In this course, you'll be taught how to make an easy but powerful idea of a wolf and an illuminating butterfly.
- Bonus- Matte Painting: As a bonus, I've made this course on matte painting. This is an excellent examination of the Photoshop abilities that you've acquired.
