System Glitches for After Effects VH-48812649: Introducing "System Glitches," a dynamic logo reveal template featuring two captivating animated scenes in a cutting-edge digital glitch style. Tailored for tech promos, logo reveals, and dynamic text animations, this template boasts customizable text layers and full-color controls. Perfect for infusing a modern tech vibe into your projects, whether for gaming, tech reviews, or data-driven presentations. Elevate your visuals with a touch of digital distortion and RGB pixel artistry using the System Glitches template.

- Logo and Text Placeholders
- Full HD Resolution
- Color Controllers
- Video tutorial included
- Font link included
- Works in After Effects 2019 and above
