Unreal Engine - ModernMilitary Bundle:

Introducing the MilitaryNPC pack, an extensive collection of assets designed to facilitate the creation of modern Military NPCs.

Here's what you get:

- **Diverse SK Items:** Items are categorized into hats, hairstyles, heads, upper body clothing, protective vests, pants, and shoes.
- **Clothing Variety:** Over 80 skeletal meshes available, catering to both male and female characters.
- **Versatile Usage:** Units can be adapted for private military forces, special operations, SWAT, modern army forces, urban warfare, or rebel factions.
- **Separate Vest and Upper Body Clothing:** Allows for customization and mix-and-match options.
- **Camo Patterns:** Basic camo patterns such as jungle, winter, desert, and flecktarn enable creation of numerous variations.
- **Skin Texture Options:** Different skin textures and skin tint variations provided.
- **Equipment Customization:** Gear utilizes a Master Material and mask Texture, offering detailed appearance tweaking.
- **Gear Inventory:** Headsets, tactical helmets, pants, protective gear, military jackets, plate carriers, and heavy vests are among the gear items available.
- **No Weapons Included:** Focus is on character and clothing assets.
- **Technical Details:**
 - Character Blueprint and example NPC Blueprints included.
 - 44 SK meshes for character parts, with variations.
 - PBR Textures: Albedo, normal, ORM (ambient occlusion, roughness, metallic), and tint masks.
 - Sample Materials: 80 materials provided, including 4 Master Materials for items and hairstyles.
 - Overview Map included.
 - Utilizes a slightly modified UE4 skeleton with added sockets.
 - Compatible with the Epic Skeleton, rigged accordingly.
 - Characters are scaled to Epic Skeleton proportions.
 - Vertex counts range from approximately 50k to 80k with full gear.
 - Texture size: 2K.

In summary, the MilitaryNPC pack equips you with a comprehensive toolkit to create a wide range of modern military characters, offering flexibility, customization, and high-quality assets for your projects.
