Paint Expressive Human Figures in Watercolor: Welcome to my Human Figures Watercolor Class! Today, we'll journey into the enchanting world of painting human figures. We will explore two captivating subjects: a Lady in a Sunflower Field and a Couple by a Wooden Terrace.

Painting human figures holds a special allure for me as each carries its narrative and emotions, akin to capturing memories on paper. In this class, I'll unveil the art of portraying figures with confidence and ease, transforming simple sketches into evocative watercolor masterpieces.

We'll start by delving into sketching fundamentals, where I'll divulge techniques to banish any apprehension about drawing human forms. Based on our reference photos, I'll guide you through sketching, empowering you to overcome any fear of the blank canvas.

Next, I'll demystify the art of mixing colors for hair and skin tones, revealing a streamlined approach with step-by-step instructions. Together, we'll explore how to create atmospheric human figure paintings using a minimal color palette, fostering confidence and proficiency in sketching and painting people.
