

Perfect OILS: 87+ brushes 4PROCREATE CreativeMarket - 6441075

2025-02-10 17:14:44 label 我要反馈 下载页面

- The collection of Procreate brushes to paint oil in all stages and various ways that have an impasto effect and an enthralling feeling of oil paint in the process and in the end. Ideal for Plein-air and from-nature sketching, color as well as long-term serious art and illustrations.
- In light of the many requests, the entire set has been completely revised as well as rebuilt into a fresh method. For those who are familiar with older version 2 which was included in the collection and be updated as time goes on.
- The document that contains tips and hints will also be updated with suggestions and tips when they are made available.

The set now contains the following brushes:

- 5 drawing brush: for initial marking and drawing similar to charcoal on canvas
- 11 On-CANVAS brushes for underpaintings, imprimatur, and paint strokes with a canvas grain;
- 7 RELIEVO brushes are used for relief of textural areas and brush strokes
- 17 MASTICHINO brushes mimicking techniques of using the palette knife;
- 11 Volumes brushes: the wide variety of brushes used in the main job of painting;
- 28 IMPASTO brushes for more texture and bumps;
- Five EXPRESSIVE brushes: Additional set of paint brushes to create a spectacular performance;
- 3 DETAILING brushes: to ensure maximal processing of most minute details

There are 87 brushes total in version 3.0 Also, you can download Version 2.01 with the 86 brushes.
