**Urban sketching with Infinite Painter:** Greetings and welcome to the Urban Sketching course using the Infinite Painter app.

**Class Overview and Learning Objectives:** In this 88-minute course, you'll delve into the fundamentals of sketching outdoors with your tablet. Designed as an intermediate-level class, it assumes a prior understanding of basic observational drawing and proficiency with the Infinite Painter app. Familiarity with perspective is also advantageous. If you're new to these concepts, I recommend first exploring my beginner Infinite Painter course.

### Course Content:

- Explore my digital urban sketching workflow.
- Gain proficiency with Infinite Painter.
- Acquire drawing techniques tailored for on-location sketching.
- Who Should Take This Course:
- Ideal for individuals seeking a more intimate exploration of sketching, as urban sketching is not just about drawing but embracing the experience.
- Suited for those facing creative blocks, seeking a change, or wanting to break free from routine.

### Why Enroll:

- Initiated urban sketching in 2009, sharing insights and benefits gained from the practice.
- Discover intangible benefits such as enhanced confidence, neighborhood exploration, and a renewed perspective on surroundings.
- Sketching outdoors accelerates drawing skill improvement.
- Materials and Resources:
- Requirement: Unlocked version of Infinite Painter (one-time purchase).
- Recommended: A tablet supporting an active stylus with palm rejection, tilt, and pressure sensitivity.
- Suggested: Begin practice indoors with provided reference photos, gradually transitioning to outdoor sketching as familiarity with Infinite Painter grows.

Join this course to unlock the world of urban sketching, where art becomes an immersive experience, transforming how you perceive and capture your surroundings.
