#### Magical Textures 2-Procreate brushes CM - 7333536:

Magical Textures 2 is a Procreate brush set featuring 55 unique brushes designed for creating art with rich textures and details.

This sequel to a popular brush pack includes brushes for sketching, outlining, shading, and adding texture and patterns.

Each brush is crafted with custom grains, patterns, or shapes, many developed from original drawings or photographs.

The digital product is well-organized by category, offering tools to enhance artistic projects, though no artwork is included.
