- Restart Photoshop
- The presets will now appear in the presets tab in Camera Raw
- Enjoy editing!

What's Included?

Jennifer Moher's Slate & Ivory collection contains 10 BW presets. You can also control contrast and grain with the additional toolset. These presets are not available in mobile format.

What SOFTWARE do I need to use?

Adobe Lightroom Classic, Adobe Photoshop Classic CC, 6, 5, & 4, or Adobe Photoshop Raw CC and CS6 are the minimum requirements for running our black-and-white Lightroom presets. However, we recommend using the presets with the most recent versions. The Lightroom Mobile app is required to view our mobile presets.

How do I install the PRESETS?

If you have an account on Meridian, you can use our installer software. You can also use our Lightroom Mobile installation guide if you are checking out as a guest.
