Smart BarCoder v2.4.5 for Win x64 Pre-Activated

2025-04-18 22:09:17

empowers you to design labels, badges, price tags, and asset tags. Its flexible and robust editor simplifies the creation of intricate layouts. The label wizard offers hundreds of customizable layouts for quick label generation.

Utilize the built-in expression editor to craft advanced elements like business labels with vCard QR Codes. Access data directly from Excel files or use the Excel-like spreadsheet for data creation and editing. Export the generated barcodes to various formats, including PDF (vectors), PNG, JPEG, BMP, docx, HTML, and more.
