**Gelliplate Magic: Tell Your Story with Charcoal Transfers:** Are you ready to embark on an exciting journey that blurs the lines between photography and printmaking? Join me in this engaging class where we'll explore the fascinating world of mono printing with the gelliplate, adding a creative twist that will ignite your imagination.

No Experience Needed, Just Your Imagination! Whether you're an experienced artist or a beginner, this class is designed for everyone. No prior experience is required; you only need enthusiasm and an open mind. The process is just as rewarding as the outcome, and I'll be there every step of the way to help bring your artistic vision to life. While drawing experience isn't necessary, incorporate your charcoal drawings into the mix for added creativity.

**Merge and Morph: The Art of Charcoal Transfers** In the first part of the course, we'll delve into the enchanting technique of charcoal transfers. You'll learn how to seamlessly blend two distinct photographs into a narrative that resonates with you. **Gelliplate Awesomeness: Adding Vibrancy and Depth** Once your charcoal transfer masterpiece is on the plate, we'll elevate it to new heights. The gelliplate will serve as your canvas, and I'll demonstrate various gelliplate techniques to infuse color, texture, and vitality into your artwork.

### What You'll Experience:

- Unlock the secrets of creating captivating charcoal transfers.
- Explore the boundless possibilities of Gelli plate printmaking, enhancing your work with color and texture.
- Gain insights into crafting compelling visual stories that blur the boundaries between different mediums.

Let's embark on this creative adventure together! Together, we'll unlock the doors to a whole new realm of artistic expression. You'll leave with beautiful prints but also a fresh perspective on blending mediums, capturing moments, and transforming them into art that is uniquely yours.
