IMPORTANT

This Upgrade won't affect current user mixtures or edited pictures.

V2 Profiles aren't supposed to utilize current backpacks. Please continue To utilize packs as is. The profiles have been found, however, the changes will not be Noticeable before the real packs are upgraded during the upcoming few weeks, Beginning with Jeff Newsom's Companion Cube (upgrade available today!) .

Though V2 profiles yield greater outcomes, we realize that many are flawlessly Pleased with what they're accomplishing now. We'll thus include a heritage Variant of every preset package that you may find within an optional install.
