Archipelago Quest 40 – Del Mar:

The "Del Mar" preset set draws inspiration from the vibrant, eccentric style of filmmaker Wes Anderson, evoking a nostalgic, vintage aesthetic with bright pastel tones and warm hues.

It offers three dynamic variants, ranging from bright and diffused to filmic and muted, as well as three tonal shifts that provide a golden, nostalgic overtone.

Additionally, a Grain mask allows users to age their imagery, emulating classic film styles.

The presets offer versatility, with the option to achieve either a colorful pop or a vintage, muted look, catering to various creative preferences.
