What is Onlyxne 808 Mafia Ashes Experimental Drumkit?

The "Onlyxne 808 Mafia Ashes Experimental Drumkit" is a collection of drum samples and sounds designed for music producers, particularly those in the hip-hop and trap music genres. These drum kits are often used in digital audio workstations (DAWs) like FL Studio, Ableton Live, or Logic Pro to create beats and music production.

Here's what you can typically expect from a drum kit like this:

- **Drum Samples:** This kit would include a variety of drum samples, such as kicks, snares, hi-hats, claps, and percussion sounds. These samples are often designed to have a unique and experimental quality.
- **808 Basses:** 808 Mafia is known for its deep and heavy 808 bass sounds, and this kit might include a selection of bass samples for creating powerful basslines.
- **Sound Effects:** Some kits also include sound effects and atmospheric sounds to add depth and texture to your music.
