

PSE The Producer's Library Small Metallic Action WAV

2025-02-10 16:52:18 label 我要反馈 下载页面

"Small Metallic Action" is an instrumental collection of one-shot metallic clangs, bangs scrapes, and drops that sound organic and hefty. When used as percussive components or as a way to add to the sound, the sounds of this pack are an ideal complement when combined with the traditional drum machine sounds or to give an industrial vibe to your music productions. "Small Metallic Action" is very suitable as a Foley FX or sound design application.
