Photography & Mixology: Make, Light, and Capture a Tropical Tiki Cocktail: Are you looking to add a splash of summertime energy to your repertoire? Join me on a quick and refreshing journey in this breezy photography course, where I'll walk you through creating and shooting a tropical tiki cocktail.

Discover my favourite trick for transforming simple materials into studio props that elevate your frosty drink photos to the next level. With a few simple techniques, we'll add complexity and layers to your shots, ensuring your portfolio pic shines on Instagram. And yes, there will be coconuts involved!

By the end of this course, you'll gain a deeper understanding of studio lighting, learn how to craft and photograph creamy, icy beverages, and pick up actionable tips and tricks to enhance your cocktails and mixology skills. From mastering the art of great ice to incorporating fresh and eye-catching garnishes, you'll be equipped to capture stunning visuals, whether blogging about recipes, showcasing local mixology ingredients, or simply documenting everyday experiences.

Join me for a refreshing dive into the world of cocktail photography, and let's raise a glass to creativity and innovation!
