6 Black Lightroom Presets 6279075 (Mob, Desk): These preset were specifically created for photographers who are looking for a black faded appearance. This package has been tested with many images. The presets are varied with different exposure, tone, and more. With these different options, it is possible to choose a preset that is suitable for you.

- 12 Mobile Black Presets
- 12 Desktop BLACK Presets
- 2 PDF Installation Tutorials
- It is important to note that the Commercial as well as the Extended Commercial licenses do not permit, or prohibit the re-sale and distribution of CVR Presets.
- Each preset has been tested on multiple images. However, keep in mind that each lightroom preset functions differently because every photo is distinct (color and light the exposure, color, etc.) This preset can be used to work on an image. You can then make small adjustments to find your ideal settings!
