Riemann Kollektion ASHRAM Worldwide Instruments 3: Immerse yourself in the global soundscape with this exceptional sample pack, bringing the diverse vibes of music from around the world directly into your DAW! Collaborating with gifted musicians and producers worldwide, we've curated the highest-quality sounds and samples for you.

Each loop is organically recorded, capturing various grooves and feels, allowing you to adapt or customize the groove according to your taste. Inspired by the likes of DJ Dixon, Innervisions, Bedouin, Bar 25, Keinemusik, Sol Selectas, Akbal Music, and trueColors, this sample library provides everything you need to produce full tracks in this distinctive style on any DAW, including Ableton, FL Studio, Cubase, Logic Pro, or Bitwig.

The one-shot samples are tailored for use in hardware samplers like Akai MPC, Elektron, MASCHINE, or any software sampler.
